Chief, Personnel Security Division
 Attention: Mr. Arthur Sheridan, Chief, Employee Activity Branch
 Chief, Security Support Division

PHILLIPS, David Atlas
 #10696 C.S.

1. Reference is made to the verbal request from your office for concurrence in the security approval of the publication of the attached manuscript, "Popcorn in the Andes" by the Subject.

2. It is the understanding of this office that the attached manuscript relates to the Subject's family life and experiences as the owner of a newspaper in Chile. It is also noted that security approval was previously given for a speech by the Subject taken from material contained in this manuscript. This material contained nothing of an intelligence nature and does not disclose the Subject's relation with this Agency.

3. This office interposes no objection to the publication of the attached manuscript subject to the conditions which follow. It is assumed that the manuscript has previously been reviewed from an operational standpoint by the Subject's division. Secondary arrangements for its publication should not reflect the Subject's previous covert use by this Agency in Latin America.
